5. The logo may not be displayed on any site or article that disparages inXtron or its products and services, infringes any inXtron intellectual property, or on any site that contains pornographic, scandalous, or otherwise objectionable and illegal content.
6. These guidelines do not grant you any rights in any of the logos beyond this limited use for linking and press articles, and all rights and interest in the respective marks are reserved by inXtron, Inc.
7. inXtron reserves the right to terminate any link or linking program at any time.
8. inXtron, Inc. reserves the right to take action against violators of these guidelines and those otherwise infringing on its intellectual property rights, or violates any other applicable law.
