

The X factor sparking innovation and creativity.

Terms of Use for inXtron's Product Images

The following guidelines apply to non-inXtron websites that wish to display inXtron's products by means of one of the product images provided by inXtron, Inc. By using and displaying the product images on your website or press article, you agree to be bound by these requirements:

1. Images on this site may only be used for the purpose of displaying the corresponding inXtron products.
2. The images may only be used as provided herein. You may not alter the colors, proportions, or animate, morph, or otherwise distort their appearance and/or impression.
3. The images may not be displayed on any site or in any article that disparages inXtron or its products and services, infringes upon any inXtron intellectual property rights, or on any site that contains pornographic, scandalous, or otherwise objectionable and/or illegal content.
4. These guidelines do not grant you any rights to any of the images beyond the limited use for representing inXtron products, and all rights and interests in the respective marks are reserved by inXtron, Inc.
5. inXtron, Inc. reserves the right to take action against violators of these guidelines and those otherwise infringing upon its intellectual property rights, or violating any other applicable law(s).

Disclaimer

INXTRON DISCLAIMS ANY WARRANTIES THAT MAY BE EXPRESSED OR IMPLIED BY LAW REGARDING THE IMAGES, INCLUDING WARRANTIES AGAINST INFRINGEMENT.
